FORD MUSTANG SVO Brake Rotors - Free Shipping on Orders... The Mustang SVO is considered highly collectible today, just 9,835 examples were built between 1984 and 1986, and it 's not known exactly how many have survived to the modern day though they ' re still common enough to be affordable.

The Ford Mustang SVO – A Factory-Turbocharged 1980s Foxbody The Mustang SVO is a limited-production version of the third generation Ford Mustang sold from 1984 to 1986, during which time 9,835 examples were built. Although it departed both physically and mechanically from any prior version of the Mustang, it held the same spot within the lineup, both in terms of performance over "lesser" variants and in prestige, as had variants such as the Shelby ...
