Autodata's 2007 Key Programming and Service indicator Manual provides information for programming of key/remote transmitters for remote control alarms and central locking systems, programming of key/remote transmitters for stand alone immobilizer systems, battery replacement for the key or remote control transmitter, and resetting procedures for the service interval indicator lamps. Since remote control convenience systems have been around for more than 10 years and immobilizer systems for more than 5 years on most models, this information is very relevant to the aftermarket automotive repair industry. Normally this information has been available only to the dealer franchise system. As an example, the service interval indicator warning device on the fascia may be flashing or the "light on", a major annoyance to the customer. How do you put the light out? Or, the engine starts then immediately dies, coupled with rapid flashing of the engine management warning lamp ? a typical example of an immobilizer/key recognition fault. How do you reset the key/immobilizer? Autodata's new manual provides the answers. This item is available on CD. CDs have both English and Spanish languages. Model range is 1996-2007.

Advertising expenditure data across ten media: consumer magazines, Sunday magazines, newspapers, outdoor, network television, spot television, syndicated television, cable television, network radio, and national spot radio. Lists brands alphabetically and shows total ten media expenditures, media used, parent company and PIB classification for each brand. Also included in this report are industry class totals and rankings of the top 100 companies of the ten media.

An annual publication that profiles important marketing campaigns of the 20th century.

A moving fable about luck, persistence, and hope, grounded in the often tragic reality of modern-day immigration, by the winner of the 2004 Prix Goncourt. Captain Salvatore Piracci has sailed along the Italian coast for the last twenty years, intercepting boats with clandestine African immigrants who have risked everything in the hope of reaching the new Eldorado. But when Piracci is confronted by a woman haunted by the death of her son, killed during an illegal crossing, he is forced to question the validity of his border-patrolling mission. Meanwhile, two brothers prepare to leave Sudan and make the dangerous passage to Europe. Separated mid-voyage,

Suleiman, the youngest, vows to make it to the promised land and find the means to reunite with his ailing elder brother. At a time when debates over immigration and national identity dominate headlines in the United States and Europe, best-selling author Laurent Gaudé offers a unique portrait of the individuals who compromise their dreams and endanger their lives in search of a better existence.
