400 most important previous year vocab vocabulary SSC CGL ...

Typically, teachers ask between 300-400 questions per day, however the quality and value of questions varies. While questioning can be an effective tool, there is both an art and science to asking questions. Every question demands a response (except in the case of requests and suggestions), so that questions inevitably generate communication.

200 most important questions for CAT 2020: Part - I ...

5 min read. One of the most important lessons I've learned from reading books, interviewing smart people, and having conversations with my mentors is that questions are more important than answers. But that goes against everything you learn in school where you're rewarded for the quality of your answers.. However, that's not what you should judge a person on.

The 21 Most Important Questions Of Your Life - Darius Foroux

The most important question would be fundamental, as an axiom in geometry is fundamental. Its answer would have extensive application in the life and decisions of every person. ...
