I've laughed out loud, gasped in amazement, cringed in shame and wepted with sadness and horror. Sara Pascoe has written this book in such a seamlessly effortless and honest way; to the point that i forgot i was reading, as it felt like i was down the pub having a heart-to-heart with one of my nearest and dearest.

A biography is an account of a person written by another person, whereas an autobiography is the story of the life of a person written by himself. 1. In writing the autobiography of an animal or an inanimate object, we must try to put ourselves in the position of the object or an animal you are writing about and imagine the things which it would see, feel and say if it were alive or could speak.

Introduction. While historiography is dominated by attempts that try to standardize and de-individualize the behavior of animals, history proves to be littered with records of the exceptional lives of unusual animals. This book introduces animal biography as an approach to the re-framing of animals as both objects of knowledge as well as subjects of individual lives.
