*Awareness of Mortality (Death, Value, and Meaning) (Death ...*

We have examined mortality awareness - the realisation that we are all one day going to die - and found that, although the prospect of death is often scary, it can also have positive effects....

*Why being aware of your mortality can be good for you*

Mortality salience is the awareness by individuals that their death is inevitable. The term derives from terror management theory, which proposes that mortality salience causes existential anxiety that may be buffered by an individual's cultural worldview and/or sense of self-esteem
