audio for each test as well as all the tests in a customizable format.

Bob Taylor mixes the details of his experience as a tradesman and founder of a world-famous acoustical guitar manufacturing company, Taylor Guitars, with philosophical considerations for building a business on the values of quality handmade products, passion, and instinct. From his “ a-ha moment ” in high school that inspired his very first guitar, Taylor has been living the American dream, crafting quality products with his own hands and building a successful, sustainable business. In Taylor Made, he shares the lessons he instills in his employees, colleagues, and competitors that provide the foundation for his company ’ s success, among them: Nature vs. nurture; how to discover, embrace, and implement your passion The endurance of quality made products The importance of improving and inventing products Spread “ made in America ” globally Be open and receptive to “ signals, ” messages from customers and colleagues Any professional or company who takes a cue from Taylor and recognizes the importance of these values can achieve the kind of success that has become synonymous with Taylor Guitars.

An instructional book about contemporary lead guitar techniques (such as picking, sweeping, tapping amo.) and practicing them. The book is based on the many instructional articles Vandenberg has written throughout the years, and features completely revised versions of some of them, in addition to completely new chapters. This is the actual printed book-version.
