Fledgling vampyre Zoey Redbird has managed to settle in at the House of Night. She's come to terms with the vast powers the vampyre goddess, Nyx, has given her. But then human teenagers start dying, and all the evidence points to the House of Night.

Milan Kundera has established himself as one of the great novelists of our time with such books as *The Unbearable Lightness of Being*, *Immortality* and *The Book of Laughter and Forgetting*. In *Testaments Betrayed*, he proves himself a brilliant defender of the moral rights of the artist and the respect due to a work of art and its creator's wishes. The betrayal of both—often by their most passionate proponents—is the principal theme of this extraordinary work. Readers will be particularly intrigued by Kundera's impassioned attack on society's shifting moral judgments and persecutions of art and artists, from Mayakovsky to Rushdie.

When a friend is killed in Sleepy Hollow, New York FBI agent Aiden Mahoney, a new member of the Krewe of Hunters, joins Mo Deauville in the historic town to explore both past and present events to find the killer who now wants Aiden dead as well.

Kiera Cass brings another sparkling romance to a stunning conclusion in this sequel to the instant #1 New York Times bestseller *The Betrothed*. Can you follow your heart when it's already broken? After fleeing Coroa and leaving the memory of her beloved Silas behind, Hollis is unsteadily adjusting to life in Isolte. The Eastoffe family's affection is a balm on her weary spirit, though Etan, a surly cousin with a deep distaste for Coroans, threatens to upset the uneasy peace she's found. While tensions at home ratchet up, disquiet in the kingdom of Isolte is reaching a fever pitch. The Eastoffes may have the power to unseat a tyrannical king—but only with Hollis's help. Can a girl who's lost it all put the fate of her adopted homeland over the secret longings of her heart?

*****THE INSTANT NATIONAL BESTSELLER***** Picking up where the New York Times bestselling *Front Row at the Trump Show* left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller *Front Row at the Trump Show*. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

Betrayed is the true story of two men on opposing sides in WWII, one a sergeant in the US Air Corps and the other a Nazi rocket engineer. The sergeant was shot down, betrayed, and imprisoned in Buchenwald, while the engineer, an SS-Major, became a national hero of the Third Reich. After the war, the records of both men were classified Top Secret and concealed by threats, denials, and misrepresentations. The US government refuted the sergeant's accurate account, while promoting a fabricated history for the engineer, Dr. Wernher von Braun, who became as famous in the US as he had been in Nazi Germany. Betrayed demonstrates how an unconstrained military intelligence operation disrupted the lives of American ex-POWs in the name of "National Security."

When an Atlantean warrior and a British cat burglar both try to steal the same jewel from the Tower of London on the same night, the sparks will fly. When a power-mad vampire gets to the jewel first, they have to team up to save all shapeshifters ... and the world. A warrior's mission, a woman's desire— What could Christophe, powerful Warrior of Poseidon, have in common with Fiona Campbell, prim and proper Scottish illustrator of fairytales by day and notorious jewel thief known as the Scarlet Ninja by night? Answer: The Siren, a legendary Crown Jewel that Fiona has targeted for her next heist. It's said to be worth millions, but to Christophe it's invaluable. For the Siren also happens to be one of the missing jewels from Poseidon's trident. And the unnatural evil that could destroy them both. But breaking into the Tower of London is a two-person job, so Christophe and Fiona team up to commit the crime of the century. As newfound passions fire their motives--and cloud their judgment--they realize they aren't the only ones after the priceless gem. A dark force is shadowing their every move, and threatening to shatter their trust with revenge, betrayal, and a haunting revelation about the past.
