Beyond Earth's Edge Zoom Meeting **Beyond The Screen Emerging Cinema**

“Beyond the Screen offers a fascinating and insightful study into the way that technology is changing the relationship between moving image and audience and how these changes are reshaping the very meaning of cinema. Combining historical, narratological, industrial and audience research of case studies ranging from major studio releases to experimental mobile films and ARGs, Atkinson's book offers essential reading for anyone wanting to understand what cinema is becoming.”

...

Beyond the Screen presents an expanded conceptualization of cinema which encompasses the myriad ways film can be experienced in a digitally networked society where the auditorium is now just one location amongst many in which audiences can encounter and engage with films. The book includes considerations of mobile, web, social media and live cinema through numerous examples and case studies of recent and near-future developments.

complex, emerging and fluid forms, but *Beyond the Screen* marks a significant step towards developing a language that may yet have longevity. Moreover, it does so having taken into account textual, industrial and audience perspectives on these 'emerging cinemas' with dexterity, which very few other accounts can be said to have achieved.
