Date my billionaire boss? No way... Too bad it was a blind date. Bella: My dream of a successful art career consumes my life, so I didn ' t want to join the dating app. I don ' t have time for it, but somehow, my best friend persuaded me. Fine. What ' s one night? One date? I ended up matched with YourMan01, a guy who seems only interested in hooking up. I ' m not interested in forever, so YourMan01 ' s plans sound okay with me. Besides, meeting this stranger might turn my thoughts from the only man I truly want—a man completely off limits: My boss, Chase O ' Malley. This new dating site is unique: they screen the applicants and set up the date. I have no idea what he looks like. We just have a time and place to meet. And if sex enters the picture, good. That might distract me from Chase. I need my job with O ' Malley Financial to keep myself afloat while I pursue my art, and daydreaming about my demanding boss is the surest way to get myself fired. Even if he were interested, Chase always has a new woman on his arm. Anything between us wouldn ' t last. What would happen when it ended? That would ruin everything. Chase: I ' ve waited too long to claim her, but now, Bella is mine. What ' s the point of being a billionaire if you can ' t use your wealth to sway your fortune? Membership dating sites are lucrative right now, but that ' s not even close to why I started one. For once, I don ' t care about the money. My entire objective: My new assistant, Bella Renfroe. When she finds out what I ' ve done, she ' ll be furious, but that won ' t stop me. She ' s going in blind, but this date will open her eyes. Soon, she ' ll be in my bed, in my life, and totally, irrevocably mine.

Diana Russo thought retiring early from her billion-dollar cosmetics company would give her time to find the love and happiness she ' d set aside during the years she ' d spent striving to be a corporate giant. But months after she ' d handed Bellae off to her daughters, she was lonely ... until Charlie Pierce stormed into her life. With a mischievous twinkle in his eye, he swept her off her feet for a whirlwind romance full of adventure. Charlie Pierce came from humble beginnings before he launched a successful online cooking network that propelled him into a life of luxuries he ' d always desired. Unfortunately while his business flourished under his care, finding the kind of woman he wanted to spend his riches with seemed out of his grasp. The country club set of divorcees he encountered were more interested in cocktail parties and redecorating than experiencing the pleasure of sailing on the ocean or finding the best Korean barbeque New York City had to offer. When he discovered Diana, he knew he ' d found the woman he wanted. All he had to do was convince her to take the chance. Diana thought Charlie was the perfect partner. He was attentive to her needs and sensitive to her insecurities, while exposing her to new pleasures in life. She was sure he was the man with whom she ' d spend the next phase of her life. But when Charlie reveals a secret he ' s kept from her, her perfect world is shattered, and she has to determine if she can forgive the deception. seasoned romance, billionaire romance

She ' d finally figured out what Netflix was, though she was still iffy on Tinder, and she ' d become her half-sister Heather ' s new pet project. Eventually, after a sickeningly amount of pestering, Trix gave in, agreeing to a single blind date. A blind date who turned out to be Jet. The doctor she ' d worked with fallaw around the world. The man she ' d slept with and then had fallen desperately in love with. The one who, in clich é , na i ve fashion, had decimated her heart. And the one who transformed an unwanted, but tolerable night out into the blind date from hell. Because apparently Jet had decided his biggest regret was letting her go.

He's just found out his long-time girlfriend in Seattle has been cheating on him, and while Coral Canyon isn't his first choice of where to live, it's certainly the friendliest. He takes over the energy company his dad built from the ground up and buys a high-end lodge to live in--only a mile from the home of his once-best friend, Laney McAllister. Laney returned to her family ranch after college, but her husband wasn't cut out for the country lifestyle on the land at the base of the Grand Teton National Forest. He left Laney and their daughter, Bailey, to work the ranch themselves, which they've been trying to do. But with her furnace on the brink of failure and the snow falling faster than ever, Laney agrees to bring Bailey up to Graham's lodge for the holidays. They were best friends once, but Laney's always entertained feelings for him, and spending so much time with him while they make Christmas memories puts her heart in danger of getting broken again. Can they take their friendship to the next level and build a family? Or will Laney be risking her heart only to remain in the friend zone?
