Blood Wedding And Yerma Federico

Blood Wedding is a tragedy by Spanish dramatist Federico Garcia Lorca. It was written in 1932 and first performed at Teatro Beatriz in Madrid in March 1933, then later that year in Buenos Aires, Argentina. Theater critics often group Blood Wedding with Lorca's Yerma and The House of Bernarda Alba as the "rural trilogy".

at the time of his death, as he did not include The House of Bernarda Alba in this group of works.

Blood Wedding - Wikipedia

The Blood Wedding and Yerma Essay. The greatest Spanish dramatist and poet, Federico Lorca, wrote two books with very different plots, yet the literary elements included were very similar "The Blood Wedding" and "Yerma" portray the political and sociological views that are customary to Spain, such as male dominance, as well as family honor. In addition, both "The Blood Wedding" and "Yerma," contain the theme

PDF/EPUB Blood Wedding

'Blood Wedding' relies heavily on colour symbolism; I felt it was obviously a play that needs to be watched to 'get it'. 'Yerma' – a story about a woman who desperately wants to get pregnant – is a little slower and tortuous, both for the central character and the reader. 'The House of Bernarda Alba' was my favourite.

Lorca, Garcia (1898–1936) - Blood Wedding: Act I

It was during a time of huge social and political upheaval that Federico García Lorca wrote the three plays now widely known as his rural trilogy: Blood Wedding, Yerma, and the House of Bernarda Alba. Spain was entering a new era with the loss of its empire, the fall of its monarchy and the founding of a new, democratic Republic.
