Since its publication in 1842, Dead Souls has been celebrated as a supremely realistic portrait of provincial Russian life and as a splendidly exaggerated tale; as a paean to the Russian spirit and as a remorseless satire of imperial Russian venality, vulgarity, and pomp. As Gogol's wily antihero, Chichikov, combs the back country wheeling and dealing for "dead souls"--deceased serfs who still represent money to anyone sharp enough to trade in them--we are introduced to a Dickensian cast of peasants, landowners, and conniving petty officials, few of whom can resist the seductive illogic of Chichikov's proposition.

Mary Shelley was not yet twenty years old when she wrote this classic tale of a scientist's attempt to create a new noble species ... an experiment which instead produced a monster. Frankenstein is here presented in the 2nd, revised edition of 1831 and includes an analysis of the most recent criticism on Shelley's science fiction masterpiece, as well as an extensive filmography.

More than 200 years after it was first published, Mary Shelley's Frankenstein has stood the test of time as a gothic masterpiece--a classic work of horror that blurs the line between man and monster. "If I cannot inspire love, I will cause fear." For centuries, the story of Victor Frankenstein and the monster he created has held readers spellbound. On the surface, it is a novel of tense and steadily mounting dread. On a more profound level, it illuminates the triumph and tragedy of the human condition in its portrayal of a scientist who oversteps the bounds of conscience, and of a creature tortured by the solitude of a world in which he does not belong. A novel of almost hallucinatory intensity, Mary Shelley's Frankenstein represents one of the most striking flowerings of the Romantic imagination.

This collection contains works by such writers as Poe, Hawthorne, Gaskell, Dickens and M.R. James. It brings together stories from the earliest decades of Gothic writing with later 19th and early 20th century tales.

The first study guide for the PMI-Risk Management Professional certification exam (RMP). This Book has a unique study framework that will take you step by step to cover all the information needed to thoroughly prepare for the test. Many sample questions, and exercises are designed to strengthen mastery of key concepts and help candidates pass the exam on the first attempt.

«Тайнственный сад» – любимая классика для читателей всех возрастов, жемчужина творчества Фрэнсис Ходжсон Бернетт, роман о заново открытой радости жизни и магии силы. Мэри Леннокс, жестокое и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде-затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в том числе находит удивительный маленький сад, огороженный стеной, вход в который почему-то запрещен. Отыскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под запретом?.. Впрочем, это не единственный секрет в поместье...
