INJECTOR - YouTube

We also sell individual parts for the piezo injectors, which would enable our customers to affect the repair themselves. We carry a range of Bosch piezo fuel injectors as exchange units but these injectors are difficult to remove from engines and while being extracted, stretching them could render them useless. When we do have the injectors in stock, we can supply within 24 hours.

Gasoline fuel injectors are
engineered to operate and
last for well over
250,000+++ miles! Bosch and
Delphi design their
injectors to last problem
free for over one billion
(that is 1000 million)
pulses! One billion pulses
is the equivalent of an
engine running approximately
333,000 miles at 3000 rpm.
Delphi describes their
gasoline injectors'
durability as having only a
3% or less failure ...
