Religious icons have been a contested terrain across the world. Their implications and understanding travel further than the artistic or the aesthetic and inform contemporary preoccupations. This book traces the lives of religious sculptures beyond the moment of

File Type PDF

Calibrating

Hofmann. It lays bare their purpose and evolution by contextualising them in their original architectural or ritual setting while also following their displacement. The work examines how these images may have moved during different spates of temple renovation and acquired new

File Type PDF

Manual
Each day, nearly 60 Americans receive a transplanted kidney, liver, or other organ—a literal "second chance at life"—but 11 others die waiting for an organ transplant. The number of donors, although rising, is not growing fast enough to meet the increasing demand.

File Type PDF

Calibrating

Intended to improve the current system of organ procurement and allocation, the "Final Rule," a 1998 regulation issued by the U.S.

Department of Health and Human Services, sparked further controversy with its attempts to eliminate the apparent geographic disparities in the time an individual must wait for

File Type PDF

Calibrating

Hofmann. This book assesses the potential impact of the Final Rule on organ

transplantation. It also presents new, original analyses of data, and assesses medical practices, social and economic observations, and other information on: access to transplantation services for low-income
