comprehensive textbook and study package for a beginner-level networking course. This book has been completely revised to align to Cisco's new CCENT 100-101 ICND1 exam. Material is presented in a concise manner, focusing on increasing student's retention and recall of exam topics. The book is printed in four

Acces PDF Ccna Voice Lab Cisco Press

color, allowing students to benefit from carefully crafted figures that utilize color to convey concepts. Students will organize their study through the use of the consistent features in these chapters, including:

- Foundation Topics — These sections make up the majority of the page count, explaining concepts, configurations,

Acces PDF Ccna Voice Lab Cisco Press

with emphasis on the theory and concepts, and with linking the theory to the meaning of the configuration commands. • Key Topics — Inside the Foundation Topics sections, every figure, table, or list that should absolutely be understood and remembered for the exam is noted with the words “ Key Topic ” in the margin.

Acces PDF Ccna Voice Lab Cisco Press

This tool allows the reader to quickly review the most important details in each chapter.

- Chapter-ending Summaries — These bulleted lists provide a quick and concise review of the key topics covered in each chapter.
- Chapter-ending Review Questions — Each chapter provides a set of multiple choice questions that help

Acces PDF Ccna Voice Lab Cisco Press

student's test their knowledge of the chapter concepts, including answers and full explanations. • Chapter-ending Exercises — Each chapter concludes with a series of exercises designed to help students increase their retention of the chapter content including key term reviews, key topic tables, command review

Acces PDF Ccna Voice Lab Cisco Press

exercises, and memory table exercises. •
Part Reviews — This new edition includes a new part review feature that helps students consolidate their knowledge of concepts presented across multiple chapters. A new mind mapping exercise helps students build strong mental maps of concepts. A new exam bank of part review

Acces PDF Ccna Voice Lab Cisco Press

questions helps students test themselves with scenario-based questions that span multiple topics. In addition to these powerful chapter learning, review, and practice features, this book also contains several other features that make it a truly effective and comprehensive study package, including:

- A Getting Started

Acces PDF Ccna Voice Lab Cisco Press

chapter at the beginning of the book offer terrific advice for how to use the book features and build an effective study plan.

- The DVD contains over 90 minutes of video mentoring from the author on challenging topics such as CLI navigation, router configuration, switch basics, VLANs, and subnetting.
- The book

Acces PDF Ccna Voice Lab Cisco Press

comes complete with the CCENT/CCNA ICND1 Network Simulator Lite software, providing students with the opportunity to practice their hands-on command line interface skills with Cisco routers and switches. The 13 labs included for free with this product cover a range of IP addressing configuration and

Acces PDF Ccna Voice Lab Cisco Press

troubleshooting exercises. • The Pearson IT Certification Practice Test software that comes with the book includes 4 full ICND1 exams and 4 full CCNA exams, providing tons of opportunities to assess and practice. Including the book review questions and part review questions, the exam bank includes more than 600 unique

Access PDF Ccna Voice Lab Cisco Press

practice questions. • This book also comes with a free version of the Premium Edition eBook, allowing students to access the digital copy in PDF, EPUB, or Kindle format on their computer or mobile device. • A Final Preparation Chapter helps students review for final exams and prepare to take the official Cisco CCNA

Acces PDF Ccna Voice Lab Cisco Press

exams, if they want to achieve that certification. • A Study Plan Template is included on the DVD to help students organize their study time. The 1 hour 14 minute presentation found at the fo
