The Center of the Cyclone: Looking into Inner Space ...

The Center of the Cyclone: An Autobiography of Inner Space is a 1972 book by John C. Lilly published by the Julian Press. Content.

The book explores the question of consciousness and the inner world of the mind, refracted through the experience of Lilly himself in the 1960s using the drug LSD and, particularly, flotation tanks and isolation. It also examines Lilly's notion of self-metaprogramming as a means to shape and direct certain experiences and gain autonomy and mastery over the ...
