Americans and Reality Checks for Christians.

A collection of articles looking at the family as God designed and wishes it to be.

"The ideas in this book have developed over a fifty-year period from many teaching experiences and learning that I have gleaned from others. It has been my desire to put many ideas into one book in order that teachers might have a manual of suggestions for their use. I am grateful to the many good teachers who have helped me in my life. My desire is that we might all be great teachers, giving God the glory and inspiring others to life for Him". -- Author's preface.

Renowned scholar J.-M. R. Tillard defines what the flesh of the Church is for the New Testament and the period of the undivided Church. He enables readers to understand not the structure of God's Church but the living reality of grace for which this structure exists. He explains that the "flesh of the church" is communion of life for humanity reconciled with the Father and with itself "in Christ".

In just fifteen minutes a day, you can master the 52 most important verses in the Bible in a year. While there are lots of one-year Bible reading plans, few help you understand the words that you're reading. What if we could introduce you to a Bible reading plan that would dramatically increase your mastery of the Bible in one year? Mark Moore coaches you through 52 of the Bible's most important verses. These are the "core" of the Bible. Each verse clears the path to master and manage dozens of other verses that run along the same principle path. At the end of this journey, you will move from curiosity about the Bible to competence in the Bible. It is the quickest onramp to understanding the whole of God's Word for your life.

Twenty-five Bible-based reasons for his choice of church affiliation.

Contrary to popular belief, we do not have to be perfect to do God's work. Look no further than the twelve disciples whose many weaknesses are forever preserved throughout the pages of the New Testament. Jesus chose ordinary men - fisherman, tax collectors, political zealots - and turned their weakness into strength, producing greatness from utter uselessness. MacArthur draws principles from Christ's careful, hands-on training of the original twelve disciples for today's modern disciple - you.

This is the teacher's edition of the book: "Our Attitude From A Biblical Perspective." Attitude is defined as: "a settled way of thinking or feeling about someone or something, typically one that is reflected in a person's behavior" (Dictionary.com). This simply means that our attitude is a state of mind that is reflected in how we act. If I have a positive attitude toward something or someone, it will be seen in my words and actions. When I have a negative attitude toward something or someone, it will be seen in my words and actions. While we do not have the ability to read minds, we can comprehend peoples' attitudes when we hear their words and observe their actions.Please use this book with Bible in hand. You will need it! In this book, we will study our attitude toward spiritual matters and challenge ourselves to have the attitude that will please God.
