SriIa Bhaktisiddhanta Sarasvati Thakura (1874-1937) was the son of SriIa Bhaktivinoda Thakura, appearing in answer to his fathers prayer as the Thakura worked tirelessly to reform Gaudiya Vaisnavism and to prove its preeminence among world religions. SriIa Bhaktisiddhanta Sarasvati Thakura took up his fathers mission and both preached the conclusive truths of Sri Caitanya Mahaprabhus teachings and tasted the sweetness of pure devotion himself. During his lifetime, he initiated thousands of disciples and gave thousands of hours of careful and compassionate instructions. This book provides a compendium of those instructions. Like the Bhaktivinoda Vani Vaibhava volumes that have preceded it, Amrta Vani is presented in a question-and-answer format. It was compiled by Sri Bhakti Mayukha Bhagavata Maharaja, one of Sarasvati Thakuras disciples. Following the system designed by the compiler of Bhaktivinoda Vani Vaibhava, Bhagavata Maharaja posed questions, then found the responses amid Sarasvati Thakuras lectures, lectures, essays, and other writings. The Caitanya-caritamrta states, "Krsna is so merciful that simply by aiming His instructions at Arjuna, He has given protection to the whole world." When those same instructions come through Krsnas pure devotee, one cannot measure the benefit. It is said that by associating for even a moment with a pure devotee one can attain all success in spiritual life. This book provides yet another opportunity for such association.

Restores to the forefront of the Christian tradition the importance of the divine feminine • The first complete English-language translation of the original Coptic Gospel of Mary, with line-by-line commentary • Reveals the eminence of the divine feminine in Christian thought • Offers a new perspective on the life of one of the most controversial figures in the Western spiritual tradition Perhaps no figure in biblical scholarship has been the subject of more controversy and debate than Mary Magdalene. Also known as Miriam of Magdala, Mary Magdalene was considered by the apostle John to be the founder of Christianity because she was the first witness to the Resurrection. In most theological studies she has been depicted as a reformed prostitute, the redeemed sinner who exemplifies Christ's mercy. Today's reader can ponder her role in the gospels of Philip, Thomas, Peter, and Bartholomew--the collection of what have come to be known as the Gnostic gospels rejected by the early Christian church. Mary's own gospel is among these, but until now it has remained unknown to the public at large. Orthodox theologian Jean-Yves Leloup's translation of the Gospel of Mary from the Coptic and his thorough and profound commentary on this text are presented here for the first time in English. The gospel text and the spiritual exegesis of Leloup together reveal unique teachings that emphasize the eminence of the divine feminine and an abiding love of nature over the dualistic and ascetic interpretations of Christianity presented elsewhere. What emerges from this important source text and commentary is a renewal of the sacred feminine in the Western spiritual tradition and a new vision for Christian thought and faith throughout the world.

She has devoted her life to training with the elite Immortals of Soma. For nearly a decade, Tessa St. James has sacrificed her life with her family to live, train and work behind the safety of Sterling Tower, waiting for the day when she will receive her first assignment. With Soma at her back, her days of working the Amrita circuit are numbered. As soon as her trainer deems her ready, Tess will be one step closer to a world-class career as a Soma agent. When a casual flirtation at an anonymous Amrita event becomes not so anonymous, Tess is left with images of Dean McBrien to haunt her when she returns to life at Sterling Tower where nothing is ever as it seems. For the first time Tessa questions the world she lives in and is no longer able to look the other way when Soma's actions don't add up. What will happen when Tessa finally realizes her new position isn't all she dreamed it would be? The purpose of the United Nations Challenge Badges is to raise awareness, educate and motivate young people to change their behaviour and be active agents of change in their local communities. Additional badges are available or are being developed on a number of other topics including: Agriculture, Biodiversity, Climate Change, Energy, Governance, Hunger, Nutrition, the Ocean, Soils and Water. The Forests Challenge Badge is designed to help educate children and young people about the crucial role that forests play for life on our planet. This booklet includes basic educational contents on the different types of forests and where they grow. It explains how forests provide essential ecosystem services such as clean air, water, and climate change mitigation. It also describes various forest resources and explains how millions of people worldwide rely on forests for their livelihoods. The badge describes the threats to our planet ' s forests and what is being done to protect them. This material is appropriate for use in school classes, Guide or Scout groups or youth meetings generally. It includes a wide range of activities and ideas to stimulate learning about the importance of forests, while motivating children and young people to help protect forests and become aware of the impacts of their actions on the environment.
