This development can be described as one from coherence to fragmentation. The aim of the new book is to consider how this important shift has worked out in different subfields of the law like in contract and property law, in competition, insurance, marketing and private international law as well as in the law of intellectual property.

~~Coherence and Fragmentation in European Private Law~~

Fragmentation. Europe has faced more habitat and ecosystem fragmentation than any other continent. European ecosystems are literally cut to pieces by urban sprawl and a rapidly expanding transport and energy network. Recent statistics from the EEA illustrate just how significant these
