One of the most popular and trusted introductory French programs available, CONTACTS: LANGUE ET CULTURE FRANÇ AISES is renowned for its superior grammar sequencing, four-skills presentation and practice, vocabulary control, and supportive pedagogy. More learner friendly than ever, the new ninth edition features an all-new design while maintaining hallmark strengths like logical progression and clear organization, which have successfully served more than half a million CONTACTS users. The program reflects the realities of the contemporary French and Francophone worlds while effectively preparing readers for work, study, and travel abroad with its practical illustrations and activities. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Following the organization of the main text, this essential resource provides additional out-of-class practice, with four parts to each unit. Fran ç ais écrit and Fran ç ais parle contain written and listening activities, respectively, for all three lessons in a unit. Vie pratique offers both written and listening activities based on the practical language section, and Images du monde Francophone provides written and listening activities based on the cultural magazine sections. Revision tests appear after Unites 3, 6, 9, and 11. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The main objective of À votre tour! is to advance students to a level at which they can comfortably express themselves on a variety of French and francophone topics. Avoiding the excessive rigor of most intermediate texts, À votre tour! immerses students in authentic language and cultural contexts to achieve three key objectives: to build and reinforce oral and written communicative skills, to develop reading skills and cultural awareness, and to forge a strong linguistic base. New! T ê te à ; t ê te communicative activities require one student to use communicative skills to elicit unknown details from another student in order to complete a task, with basic vocabulary and grammar structures recycled to reinforce previously learned material. New! Integrated video correlates to the Fran ç ais Pratique section of each unit and to corresponding video activities provided in the Student Activities Manual. New! Updated cultural material highlights recent cultural trends, such as prices expressed in euros, French phone numbers with appropriate area codes; reflects the current political realities; and offers many entry points for further development of cultural awareness, grammar, and lexical points. A broad introduction to French and Francophone cultures provides authentic language and cultural contexts without an intense grammar curriculum—adapted for students who might take French as a minor, rather than a major. Accessible presentation enables students with basic conversational and grammar skills to achieve success through careful pacing, cyclical review and re-entry of structures and vocabulary, and engaging conversational material. Solid grammar review builds a framework by first covering basic structures and expressions, then adding more advanced concepts to expand students' linguistic abilities.

The seamless articulation of vocabulary, grammar, activities and cultural content is what makes ENTRE AMIS so effective in the classroom! ENTRE AMIS is a performance-oriented program designed to expand students' interpersonal, interpretive, and presentational communicative skills by presenting and rehearsing situations similar to those they will encounter in real life. Based on a progressive approach, ENTRE AMIS features thorough coverage of all four-language skills with a strong emphasis

on oral communication. The language presented and practiced is always embedded in a French cultural context. The Sixth Edition of ENTRE AMIS has been thoroughly updated and now incorporates the latest technology offerings, including the iLrn Heinle Learning Center. LIAISONS is an innovative beginning-level French program firmly grounded in principles of communicative language teaching and research in second language acquisition. Components of the program are carefully linked together, showing students how they can make connections with their classmates, their instructor, their community, and the French-speaking world. A rich array of communicative activities is designed to stimulate interaction inside and outside the classroom. The underlying pedagogical framework in LIAISONS asks students to first discover new vocabulary and grammar through different mediums, then connect form and meaning through a set of confidence-building activities, and finally, actively create language. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

INTERACTION: LANGUE ET CULTURE is a complete intermediate French program offering unparalleled support to help you hone your speaking, listening, reading, and writing skills. The enhanced ninth edition includes five court-metrag films with accompanying activities. These award-winning Francophone films provide you with the opportunity to interact, in a meaningful way, with the French language and Francophone cultures. The Interaction program contains a broad range of cultural and literary content, as well as concise yet thorough, grammar explanations in a convenient, one-book format. A technologically enhanced multimedia package is available as an additional supplement. This multimedia package includes an engaging video program and iLrn™: Heinle Learning Center--a powerful, all-in-one online solution that helps you get the most out of your course.
