Green cards and using illegal workers were the focus of Coyote by Linda Barnes, and these issues touched the people close to PI Carlotta Carlisle. I did not enjoy this 3rd book in the series because of the subject matter. I also think I wasn't in a hard-boiled mystery mood.

When Grace Lawson picks up a newly developed set of family photographs, there is a picture that doesn't belong—a photo from at least twenty years ago with a man in it who looks strikingly like her husband, Jack. And though Jack denies it's him, he disappears that night, taking the photo with him. Now, to save her family from a fierce, silent killer who will stop at nothing to get the photo, Grace must confront the dark corners of her own tragic past....

a pretty straightforward assignment.

That is, until the lady disappears, and the card turns up in the possession of another woman...who just happens to be dead. Suddenly the case is far too intriguing for Carlotta to drop-and when her investigation indicates that her client was somehow connected to her inner-city "little sister" Paolina, Carlotta's got an even bigger stake in seeing it through. Alongside a handsome immigration agent with some secrets of his own, she follows her leads into the treacherous underground world of illegal aliens and those who mercilessly prey upon them. It's a lawless, dangerous territory: a place where the only thing Carlotta can rely on is her own wits, and where nothing--from innocence to life itself--is sacred...

And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy--two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to?
