5 ingredients + 15 minutes preparation time + Slow cooker = Fabulous One Pot Meal *** LARGE PRINT EDITION**Have you ever found yourself going home, tired after a long day, only to discover that you still have to cook food? The prospect of having to prepare several ingredients, use a frying pan or an oven, and then perform other complicated and time-consuming tasks may either make you order out or skip dinner altogether. If think about it, using a slow cooker can solve all this. It will make you save time and energy and money. What's not to like? On top of that, if you only need five ingredients to prepare your meals, and 15 minutes to make it, it's even better!Slow cookers allow you to go home with food not only ready for you to eat, but also still tasty and warm at the same time. All you have to do is to prepare the ingredients in the morning, put all of them in the slow cooker and leave it. No mess, no dishes to clean, and not much effort compared to other kitchen appliances. This also means less work and faster preparation time. You arrive at home with a one-pot meal ready to eat. It will give you more time to enjoy your meal. Compared to ovens, slow cookers require a significantly lower amount of electricity. This means lower bills for you to pay. Another money-saver is that with slow cookers, you can buy the less expensive, tougher meats. Instead of the expensive choice cuts, you can use the tougher meats because the slow cookers will make the meat more tender.Inside find:* Useful tips for cooking with a slow cooker* Succulent beef recipes like the cowboy beef;* Mouth-watering chicken and turkey recipes;* Easy pork dishes like the apricot-glazed pork roast;* Delicious fish recipes like the garlic butter tilapia;* Delectable vegetarian meals like the artichoke pasta;* Luscious desserts like the chocolate cake;* Weekend breakfast dishes like the French toast casserole. Tired of eating processed food and ordering out? Why not let your slow cooker do the work with only 5 ingredients! With just a few minutes of preparation, dump your ingredients in the crock pot, and a few hours later you'll get a homemade meal that your family will love. Save time, energy and money preparing delicious home cooked meals. Slow cookers allow you to go home to food that's not only ready for you to eat but also still tasty and warm. All you have to do is to prepare the ingredients in the morning, put all of them in the slow cooker and leave it. No mess, no dishes to clean, and not much effort compared to other kitchen appliances. You get a one-pot meal ready to eat, and more time to enjoy your meal and to do other household tasks. Compared to ovens, slow cookers require a significantly lower amount of electricity. This means lower bills for you to pay. Plus, ovens have a tendency to dry out not only the food but also the entire kitchen. With slow cookers, you can prevent that. Another money-saver is that with slow cookers, you can buy the less expensive, tougher meats. You don't need the expensive choice cuts because slow cooking will make the meat tender and delicious. Because of how slow cooking works, flavors do not escape through smoke. The herbs, spices, stocks, and other flavorings circulate within the broth. This retains and infuses more flavors when other appliances cannot. All recipes in this book will have five ingredients or fewer. They will also require very little preparation time. Please note that salt and pepper, water, and cooking spray are not counted as an ingredient. All the recipes included in this cookbook are easy to prepare. They only need a few ingredients and yet are very flavorful. They will surely please all the members of your family.
