Democracy from Above: Regional Organizations and ...
Democracy from Above: Regional Organizations and Democratization. Jon C. Pevehouse. Few scholars have systematically examined whether the world outside a state's borders can influence the prospects for democracy. Jon Pevehouse argues that regional organizations, such as the European Union and the Organization of American States, can have an important role in both the transition to, and the longevity of, democracy.

Democracy from Above: Regional Organizations and ...
In this book, Jon Pevehouse argues that international factors,
specifically regional organizations, play an important role in
the transition to and endurance of democracy. Domestic elites
use membership of regional organizations to advance the
cause of democracy since these organizations can
manipulate the costs and benefits of democracy to important
societal groups such as business elites or the military.

the transition to and endurance of democracy. Domestic elites use membership of regional organizations to advance the cause of democracy since these organizations can manipulate the costs and benefits of democracy to important societal groups such as business elites or the military.

Democracy from Above

Perhaps more than any other group in history, the Greek people have experienced an ebb and flow of democracy. From the origins of the concept of democracy in ancient Athens to the movement for independence in the early nineteenth century to the Greek civil war, the Greek populace has experienced monarchy, autocracy, democracy, and most systems in-between.
