"Democratic Consolidation in Eastern Europe" by Michael Rudy

References. Recommendations. Abstract. In recent decades, the most remarkable feature of East-Central European (ECE) states has been their engagement in a deconsolidation process that necessitates the reconceptualising of European Studies and the theory of democracy. In the early ' 90s, during the " revolution of high expectations," consolidation was the key term in the conceptual framework of the transitology paradigm, but this approach was questioned increasingly in the 2000s and ...
