~~Cohabitation and common law marriage. Reviewed by David Du Pré ð David Du Pré & Co, Qredible. Cohabiting couples often assume that moving in together as a couple creates similar rights and responsibilities as marriage - so-called common law marriage - or none at all. Both beliefs are wrong. If you are moving in together, you should know how cohabiting affects your legal position and how you can protect yourselves should your relationship end or one of you dies.~~

~~Well, cohabitation implies that you are living with your romantic partner outside of marriage. According to the Pew Research Publication Center (2010) approximately 69% of Americans live together before marriage. Although many cultures and religions disapprove of cohabitation, more and more couples are practicing this type of arrangement.~~
