The individual nature of the transition from being a member of the workforce to being retired has been the focus of previous books on retirement. In contrast, this book explores the impact of retirement upon family relationships and functioning. Among the topics examined are: gender and ethnic differences; the roles of children and siblings; and the multiple changes retirement creates in marital interaction. The contributors also discuss various theoretical models, analyses of research and methodological problems associated with studying families with retired members, and present new data on these issues.

AdrenalineMoto is an authorized dealer of Parts-Unlimited and claims no ownership or rights to this catalog. The Parts Unlimited 2014 Street catalog is more than "just a book." It is designed to help you and your customers get the most out of your passion for powersports. It showcases the new, exciting, in-demand products, as well as highlighting trusted favorites. The well-organized catalog sections make it easy to find the items you want. And every part is supported with the latest fitment information and technical updates available. Looking for tires? See the Drag Specialties/Parts Unlimited Tire catalog. It has tires, tire accessories and tire/wheel service tools from all the top brands. And for riding gear or casual wear, see the Drag Specialties/ Parts Unlimited Helmet/Apparel catalog. Combine all three catalogs for the most complete powersports resource of 2014.

"Clear geometric forms become sculptural buildings when given a thin skin of decorative patterns by Neutelings Riedijk Architects. Their buildings are icons whose facades give surprising views inwards. Inside, the space is captured as a forgiving element tantalizing the senses. this book takes the reader through the many layers in their work, past competition entries and from realized to unrealized projects." Book jacket.

An illustrated guide to the history of motorcycle design that profiles bikes from around the world, describes technical and stylistic innovations, and includes photographs.
