## Strategy

When it comes to planning a new business or launching a new endeavor, an execution plan is where the pedal hits the metal. While a business plan outlines your entire business and a financial plan shows where the money will come from and go, the execution plan outlines what specifically needs to be done and when.

## How to Write an Execution Plan | Bizfluent

There's meaning embedded in there: planning is really just an abstract act until you execute that plan. If you don't have a pot, or project management tools, then your spaghetti, or project, isn't going to get done. Plans are complicated, like recipes. There are a lot of ingredients you need to keep
