Patch FIT101695387 to support GBC AdvancedPunch Pro for

...

- Combines printing, punching, collating and twin-loop binding into one integrated process
- Seamlessly connects with a variety of Xerox production and light production presses and the GBC AdvancedPunch™ Pro
- Produces wire-bound applications such as calendars and books in 216 mm x 279 mm and A4
- Provides attractive layflat output for ease of use
- Binds a variety of sheet sizes and weights up to 300 gsm
- Ability to use clear covers and tabs on selected Xerox printers

GBC® eWire™: Print, Punch and Bind All Inline. - Xerox  
The GBC eWire runs inline with selected Xerox printers and the GBC AdvancedPunch Pro, so your books are produced seamlessly – from printing to punching to a finished wire-bound book. This unique solution eliminates separate punching, collating and binding operations so you can initiate a fully automated workflow with just the touch of a button.

## Xerox Finishing Solutions

Seamlessly connects with a variety of Xerox® production and light production presses and the GBC AdvancedPunch Pro Produces wire-bound applications such as calendars and books in common sizes including letter and A4 Provides attractive layflat output for ease of use Operates at rated print engine speed for most paper sizes
