Genesis Croix De Fer 10 | Adventure & Touring Bikes ...

A modern classic, the Croix de Fer keeps on turning and this interpretation is our most rounded model yet. At its heart is the ever faithful Reynolds 725 tubing. Featured throughout, this is thin in comparison to regular chromoly, saving a little weight and enhancing the ride quality. Matched to our steel fork, this is a bike which gives a reassuring ride, even when loaded. That theme ...

Genesis Croix De Fer 40 | Adventure & Touring Bikes ...

We're not the biggest out there but our size does afford us to take a few risks; namely to push through bikes that bigger companies might deem too fringe or oddball to ever grace their range. If we enjoy riding it and think there'll be enough folks out there that will too, then its fair game in our eyes! We're sticklers for detail, going to the nth degree to try and wring out every last ...
