Descent from Genghis Khan concerns claims of genetic descent from Genghis Khan. Genghis Khan's four sons and other immediate descendants are famous by names and by deeds. Later, several Asian rulers claimed descent from the Borjigin and Genghis, including Timur and Babur. Genghis Khan's descent in East Asia is well-documented by Chinese sources. His descent in West Asia and Europe was documented through the 14th century, in texts written by Rashid-al-Din Hamadani and other Muslim historians. Wit
