Glue Irvine Welsh

Glue is a 2001 novel by Scottish writer Irvine Welsh. Glue tells the stories of four Scottish boys over four decades, through the use of different perspectives and different voices. It addresses sex, drugs, violence, and other social issues in Scotland, mapping "the furious energies of working-class masculinity in the late 20th century, using a compulsive

mixture of Lothians dialect, libertarian socialist theory, and an irresistible black humour."

Glue (novel) - Wikipedia
Irvine Welsh is at his best in Glue - it's a book about friendships, and how the glue that holds us all together is affected by the passage of time, and our surroundings, and all sorts of external factors including drug addiction and disappointment, two of Welsh's big themes that seem to follow him from book to book.

Glue by Irvine Welsh -

Goodreads

With a title like *Glue*, it would seem reasonable to assume that Irvine Welsh's new novel is a profound reflection upon the pitfalls of solvent abuse. In fact, the glue of Welsh's book deals with the bonds that unite four boys growing up together in "the scheme", the "slum-clearance" flats of Edinburgh, whose optimistic construction in the 1970s give way to the poverty, unemployment and crime of the 1980s and 1990s.

Irvine Welsh :: Home ::
Books :: Glue. Glue. Glue is
the story of four boys
growing up in the Edinburgh
schemes, and about the
loyalties, the experiences -
and the secrets - that hold
them together into their
thirties. Four boys becoming
men: Juice Terry, the work-
shy fanny-merchant, with
corkscrew curls and sticky
fingers; Billy the boxer:
driven, controlled, playing
to his strengths; Carl, the
Milky Bar Kid, drifting
along to his own soundtrack;
and the doomed Gally - who
has one less skin ...
