GMAT word problems, like the ones from the Official Guide to the GMAT, usually come with explanations. A lot of those explanations start by turning the

Download Free Gmat Word Problems Manhattan Prep

word problem into equations.

Starting with the equations can make an explanation easy to understand: if the equations match up to what the problem says, then the explanation makes sense.

So while you'll see plenty of Rate problems in the Official Guides and on Manhattan Prep's practice GMATs (take a free one), you might not see many or any of these on your real GMAT.

Nevertheless, Rate problems are one of the most common
