And Answer Key

Educational standards describe what students should know and be able to do in each subject in each grade. In California, the State Board of Education decides on the standards for

Online Library Grade 3 California Content

all students, from kindergarten through high school. Since 2010, a number of states across the nation have adopted the same standards for English and math.

IXL – California third-grade
social studies standards

Through content standards in
the core subjects,

Online Library Grade 3 California Content

California began to redefine the state's role in public education. For the first time, the knowledge and skills that students needed to acquire were explicitly stated for the most part by grade level, although

Online Library Grade 3

California Content

standards standards at the
high school level were
organized by discipline.
