RENTAL PROPERTY RECORD KEEPING Because renting and maintaining property is such a self-directed undertaking, keeping a record of everything is vitally important. Check out why this Rental Property Record Keeping will help you as a renter. We have designed it to be: USEFUL. This Rent Log Book allows you to write the important information of your renters such as their names, property type and name, address, unit, their payment method and amount, balance due and other necessary details you need. Very helpful in keeping track of payments especially when some renters forget. CONVENIENT. What's more convenient than keeping an actual record? No need to log in and it does not require batteries! This is made simple for landlords to log details in. This can be your keepsake and you can use it for future reference and record purposes. BUILT TO LAST. The binding is durable so the pages will remain secure and not break loose easily. We make sure our notebooks are reliable and of good quality for several months of use. WELL-CRAFTED INTERIOR. All pages are made of thick, white paper to minimize ink bleed-through. The marks, columns, and margins in every page are clearly printed to give you enough space to log details. PERFECT SIZE. With its 20.32 x 25.4 cm (8" x 10") dimensions, it lays flat durably while writing on it. Makes easy for filing on bookshelves, travel or storage in a cabinet or desk drawer. FAVORABLE COVERS. Be inspired when you see our collections of log books and lay your eyes on its creative designs and sturdy cover. We stand to present good quality log books to cater you the best writing experience with our collections of notebooks. With this Rental Property Record Keeping, you can now write in a sturdy notebook and keep a record of payments for your rental property business. Don't miss this copy, get one now!

Organic chemistry is not merely a compilation of principles, but rather, it is a disciplined method of thought and analysis. Success in organic chemistry requires mastery in two core aspects: fundamental concepts and the skills needed to apply those concepts and solve problems. Readers must learn to become proficient at approaching new situations methodically, based on a repertoire of skills. These skills are vital for successful problem solving in organic chemistry. Existing textbooks provide extensive coverage of, the principles, but there is far less emphasis on the skills needed to actually solve problems.

Provides an overall introduction to the welding process, illustrating most of the common equipment and work techniques for both the home and shop welding.

The Study Guide to accompany Organic Chemistry, 12th Edition contains review materials, practice problems and exercises to enhance mastery of the material in Organic Chemistry, 12th Edition. In the Study Guide to accompany Organic Chemistry, 12th Edition, special attention is paid towards helping students learn how to put the various pieces of organic chemistry together in order to solve problems. The Study Guide helps clarify to students what organic chemistry is and how it works so that students can master the theory and practice of organic chemistry. The Study Guide emphasizes an understanding of how different molecules react together to create products and the relationship between structure and reactivity.

"A beautifully illustrated children's biography of Beverly Cleary, from her roots in Portland to her years as a librarian and an eventual children's book writer. The debut book in Little Bigfoot's new Growing to Greatness series of notable people from the Pacific Northwest"--

This title contains the proceedings of the 2013 5th International Conference on Advanced Computer Control, held in Singapore. The topics covered include: Modern and advanced control strategies; human-machine systems; multimedia and communication systems; database systems; robotics and automation; and much more.

The third novel in the Sianim series from the #1 New York Times bestselling author of the Mercy Thompson series and the Alpha and Omega novels. . When Rialla was young, slave traders from Darran ambushed her clan, killing all the men and enslaving the women and children. For years, Rialla lived in bondage, serving her master while waiting for a chance to escape. When that chance came, she made the best of it—and fled to the mercenary nation of Sianim... Now she can strike back at her former masters. A lord in Darran seeks to outlaw slavery—but there are plots to kill him before he can. Rialla is chosen by the sypmaster of Sianim to prevent the murder—and is plunged into a world of deadly magic, where gods walk in human form. Where her most trusted companions are not what they claim. And where Rialla could be enslaved again...
