Teacher - Home Economics (FIF17177) - FIF17177 | Fife ...

You would inspire and motivate young people to learn about food and nutrition and understand the connections between what they eat and their health. You would teach young people from 11 to 18 years old, in state and independent schools. You might also work in a college or learning centre. As a home economics teacher you'd help your pupils develop their practical skills in choosing and preparing food, so they can make informed decisions to maintain and improve their physical and mental health.
