A sexy standalone novel from New York Times and international bestselling author Elle Kennedy! Three is most definitely not a crowd. Claire McKinley has just experienced every bride’s nightmare: the groom is a no-show, and now she must face five hundred guests alone. Furious and humiliated, she seeks help from the most unlikely candidate—her almost-brother-in-law, who promptly whisks her away to his apartment in San Diego, where she can recover her pride in peace and quiet. Dylan Wade is no fan of Claire’s, but he can’t ignore the jilted bride in her time of need. Bringing her home seems like a good idea—until he remembers his new roommate. Dylan’s relationship with Aidan Rhodes is...complicated. And with Claire thrown into the mix, life becomes even more...complicated. Claire is blindsided by her attraction not only to Dylan, but also to Aidan, a man she’s just met. Soon they’re caught up in an all-consuming sexual storm they can’t fight even if they wanted to. But when their hearts get involved, Claire wonders if it can last, or if she’s just setting herself up for more heartache. Warning: This book is very dirty. Ménage à trois and man-on-man dirty. Graphic language and explicit sex dirty. Basically? Dirty. You’ve been warned.

A sexy standalone novel from New York Times and international bestselling author Elle Kennedy! NOTE: This book was previously released in 2012 and is being reissued with a new cover and minor content changes. A good bad boy is hard to find... Seth Masterson has been lustng over Miranda Breslin since the moment he saw her on a Vegas stage. Now that he’s been asked to watch out for her as she opens a dance studio in San Diego, he’s all over it, figuring it’s his chance to get her in his bed. Except the stubborn single mom seems determined to deny their sizzling sexual chemistry. In typical SEAL fashion, Seth makes it his personal mission to prove her wrong. Miranda got over her attraction to bad boys about the time one of them knocked her up at the age of eighteen. Seth’s mocking gray eyes and military-buff bod, though, are pure and utter temptation. And when a flooded apartment forces her and her twins to move in with him, she can no longer resist the urge to set off some serious fireworks between the sheets. But any involvement with Seth will be strictly physical—and temporary. So when Seth decides permanent is what he wants, Miranda must steel her defenses before she does something incredibly foolish...like fall in love. Warning: This book contains a bad boy SEAL who knows what he wants and will go to any lengths to get it. Expect graphic language, hot sex, seduction, hot sex, dirty talk, hot sex, a little man-on-man action. Oh, and hot sex.

Three sizzling-hot stories from New York Times and international bestselling author Elle Kennedy! Give a SEAL an inch, and he’ll take your heart. Heat of the Moment For almost a year Shelby has lusted over swoon-worthy Garrett, but she can’t figure out why he’s not interested...until she overhears him saying she’s too vanilla for his taste. When a heat wave sends the sexy Navy SEAL into her bakery, she finally has the opportunity to show him exactly what he’s missing...Heat of Passion Holly has too much on her plate to think about a serious relationship. A hot fling with a SEAL, though, is the perfect way to take the edge off. The last thing she expects is to run into her gorgeous one-night stand weeks later, and to discover that Carson wants the one thing she doesn’t: more. In the face of his methodical seduction, her resistance is crumbling... Heat of the Storm Will has waited fifteen years for the storm that sends Mackenzie into his arms. He’s the one man not scared of her psychic gift, and their one night of passion is enough to convince this tenacious SEAL that they are much, much more than friends. Now he just has to convince her of that... Warning: Contains dangerously hot Navy SEALs, and heroines not afraid to take them on one—or two—at a time.

In tight quarters, anything can happen... Fresh off a six-month deployment, Navy SEAL Cash McCoy is determined to end his celibacy streak with a night of down and dirty sex. Instead, he gets an interrupted hook-up with a hot blonde who vanishes without a way for him to contact her. When he’s asked to keep an eye on—and hands off—his CO’s sister for a few weeks to guard her from a psycho-stalker ex, Cash accepts the assignment as a distraction...and gets the surprise of his life. Jen Scott knows she needs protection, but she’s not looking forward to being babysat by some straight-laced yes-man her overprotective brother can boss around. Finding out her new roomie is none other than the sexy stranger who was seconds away from shaking her world apart changes everything. Orders be damned, Cash is the one man capable of helping her explore her sexuality, and she’s even willing to break her own rule—never date military men—to get the gorgeous SEAL into her bed. Only, Cash makes it clear he wants much more than she bargained for. Not just her body, but the one thing Jen promised herself she’d never give to a man in uniform. Her heart. Warning: Sexy SEAL? Check. Sassy heroine determined to seduce him? Check. Scorching hot sex bound to make you blush? Double check. A threesome and some man-on-man action? Triple check. You’ve been warned.

When a SEAL goes after your heart, don't put up a fight. They don't like to lose.... Three hot titles of fierce, unexpected needs, sexual fantasies, and bad boys. Warning: Contains dangerously hot Navy SEALs that give the phrase "going commando" whole new meaning.

Vivica A. Fox is a dynamo who has created a lasting career on her own, through sheer, roll-up-your-sleeves DIY hustle. Every Day I’m Hustling is a personal book with a message Fox passionately believes in: that you make your own luck, that you never ever wake up in the morning thinking somebody’s going to call you and offer you that part or ask you out on that date that’s going to change your life, that you have to wake up and put on your longest eyelashes and fiercest heels and go out and make your life happen yourself. The actress provides start-to-day strategies for success in business and “been there” lessons in love, buttressed with stories from her early family life all the way through to today. Always honest and always funny, Fox also tells behind-the-scenes tales from some of her biggest movies – such as Uma Thurman’s life-changing advice during Kill Bill and Will Smith’s downtime pep talk on Independence Day. And she maps out exactly what it took to come back with a role on the smash hit Empire and her own frisky show on Lifetime, Vivica’s Black Magic. She also shares her how-is-she-53? secrets to looking your best, no matter the age on your driver’s license.

Jane I’ve always been on my own. My life used to consist of nothing but work, keeping Allen out of trouble, and if I had time, sleep. Then I became their maid. Max Every day more than half a million people tune in to watch my show. They trust me. I know it’s because I’m the only son of the prominent Emerson family. However, I like to believe it because I’m honest no matter what story I report on. I’m honest about everything but the man I’ve been f**king for the last four years... and now her. Wesley I want three things: First, Maxwell Emerson and Jane Chapman both in my bed. Second, to be the best bloody chef in the country. Third, to figure out how to simultaneously get the first and second things I want without any of us getting hurt. Three People One Love Story

Ever since Arthur M. Schlesinger Jr. used "imperial presidency" as a book title, the term has become central to the debate about the balance of power in the U.S. government. Since the presidency of George W. Bush, when advocates of executive power such as Dick Cheney gained ascendancy, the argument has blazed hotter than ever. Many argue the Constitution itself is in grave danger. What is to be done? The answer, according to legal scholars Eric Posner and Adrian Vermeule, is nothing. In The Executive Unbound, they provide a bracing challenge to conventional wisdom, arguing that a strong presidency is inevitable in the modern world. Most scholars, they note, object to today's level of executive power because it varies so dramatically from the vision of the framers. But there is nothing in our system of checks and balances that intrinsically generates order or promotes positive arrangements. In fact, the greater complexity of the modern world produces a concentration of power, particularly in the White House. The authors chart the rise of executive authority straight through to the Obama presidency. Political, cultural and social restraints, they argue, have been more effective in preventing dictatorship than any law. The executive-centered state tends to generate political checks that substitute for the legal checks of the Madisonian constitution.

Born and raised in London, David Lindo’s passionate interest in the natural world, especially birds, began at an early age. His thriving curiosity opened a door for him into an unexplored world of urban birding. Years later he decided to champion the delights of birding in cities and reinvented himself as the Urban Birder. Using this illustrious alias David Lindo has brought urban birding back into the public consciousness, promoting its virtues at every opportunity and writing about it in the birding press. He urges people to look up when walking around in cities, or to stop and close your eyes in a busy street just to listen to the birds that may be singing. In his second book, David visits some of the world’s most unnatural environments, revealing the astonishingly diverse range of wildlife that can be found when you take the time to look. Much more than a compendium of birding sites, each tale follows the Urban Birder in his enthralling pursuit of city birding. Accompanied by dedicated conservationists and renowned birders, David gives a deeper insight into the true nature of each city. Featuring 70 locations to explore, Tales from Concrete Jungles is the perfect book to dip in to when on the move, or to hide away with on a rainy afternoon. Join David in his celebration of nature, pick up travel inspiration, and immerse yourself in his captivating quest for urban birding.
