I do not agree with your solutions for question 12 c and 15cii. for question 12c: the question states that kim's annual salary in the FIRST year is \$30 000 and increases by 5% each SUBSEQUENT year and similarly for alex his annual salary in the FIRST year is \$33000 and increase by \$1500 each SUBSEQUENT year therefore KIM'S real salary in the 10th year is

Designed to cater fo a wide range of learning styles and abilities, this student-friendly text prepares every student for their HSC exams and reinforces the skills you need to manage your personal fianances and to effectively participate in an increasingly complex society.

The Cambridge HSC General Mathematics Teacher CD is a collection of photocopiable worksheets, PowerPoint presentations, spreadsheets and other resources designed to support the Cambridge HSC General Mathematics text. Key Features: • Full teaching program with syllabus references, outcomes, key words, resources, and statements on knowledge, skills and understanding. • Chapter (topic) tests based on the knowledge, skills and understanding gained in each chapter. Full answers are provided. • Literacy worksheets for each topic, with answers. Each worksheet is language-based to develop students' mathematical vocabulary. • PowerPoint presentations for each topic. • Spreadsheet skills worksheets that enable students to become competent spreadsheet users.. • Spreadsheet files for each spreadsheet activity in the textbook. The files are in Excel format and are easily modifiable. • A practise HSC paper, with full worked solutions and marking guideline. Additional resources can be found on the companion website.

Whether you're an artist or not, this book will give you a working knowledge of digital image concepts. It discusses what software programs are used for various images and covers computer art concepts such as scanning and resolution. It then covers how to create your own digital images or obtain existing ones and describes how to manipulate computer pictures and how to produce them.

Maths Quest General Mathematics HSC Course 2E is specifically designed for the General Mathematics Stage
