If Caia doesn't escape, she'll become an instrument of destruction. Shadowed by her capable older sister, sixteen-year-old Caia would like nothing more than for the cursed magic bound to her family's name to remain dormant inside her. But the king has other plans. Inside his fortress-like castle, King Arcturus has held the Blackthorn line captive for generations, and the birth of a second raiser in a single generation makes his court the envy and fear of the human and inhuman worlds. The two necromancer sisters serve as more than trophies of his power; his plans include using them as instruments of war. When Caia discovers this future for her and escapes the castle that has been her cage, the king will stop at nothing to retrieve her before she flees the borders of Noverim. Faced with the threat of losing herself to her powers, will Caia learn to master the dark magic before it consumes her? Or will the king ensnare

her as the unwitting commander in his conquest for power?

The Shadowhunters must catch a killer in Edwardian London in this dangerous and romantic sequel to the #1 New York Times bestselling novel Chain of Gold, from New York Times and USA TODAY bestselling author Cassandra Clare. Chain of Iron is a Shadowhunters novel. Cordelia Carstairs seems to have everything she ever wanted. She's engaged to marry James Herondale, the boy she has loved since childhood. She has a new life in London with her best friend Lucie Herondale and James's charming companions, the Merry Thieves. She is about to be reunited with her beloved father. And she bears the sword Cortana, a legendary hero's blade. But the truth is far grimmer. James and Cordelia's marriage is a lie, arranged to save Cordelia's reputation. James is in love with the mysterious Grace Blackthorn whose brother, Jesse, died years ago in a terrible accident. Cortana burns Cordelia's hand when she touches it, while her father has grown bitter and angry. And a serial murderer is targeting the Shadowhunters of London, killing under cover of darkness, then vanishing without a trace. Together with the Merry Thieves, Cordelia, James, and Lucie must follow the trail of the knife-wielding killer through the city's most dangerous streets. All the while, each is keeping a shocking secret: Lucie, that she plans to raise Jesse from the dead; Cordelia, that she has sworn a dangerous oath of loyalty to a mysterious power; and James, that he is being drawn further each night into the dark web of his grandfather, the arch-demon Belial. And that he himself may be the killer they seek.
