The untold story of Western intelligence in the Middle East Have Western experts fundamentally failed to understand the dynamics, leaders and culture of the Middle East? Using the most recently declassified documents, interviews and Arabic sources, the book examines seminal case studies culminating in Sadats dramatic assassination and explores how the most knowledgeable and powerful intelligence agencies in the world have been so notoriously caught off guard in this region.

Your guide to current terms and concepts used in intelligence and security Arabic.

Part memoir, part history, Russia and the Arabs reveals the past half-century in the Middle East from a viewpoint seldom seen by Westerners. Yevgeny Primakov, formerly the head of the Russian Foreign Intelligence Service, Foreign Minister, and Prime Minister of Russia, exposes how key political events unfolded through the personal interactions and rivalries among notable leaders from Yasser Arafat and Yitzhak Rabin to Anwar Sadat and Saddam Hussein, whom he knew personally. He shows how the 1967 and 1973 Arab-Israeli wars developed, exposes Russia's previously unknown role in the 1991 Gulf War, and assesses Russia's Middle East policies alongside those of other foreign players, including the United States. The author's first-hand accounts of behind-the-scenes encounters and his insights into what really drove the region's key events make Russia and the Arabs an essential read for everyone interested in world affairs.

Gives you up-to-date expressions, jargon and new coinages for modern concepts in media Arabic. What is the Arabic for 'the UN'? How does the Arabic media say 'rogue state'? Or 'Arab Spring'? This second edition has been revised and updated throughout and now includes an English-Arabic index as well as audio and elearning materials.Key Features: Terms are grouped in thematic sections so that you can learn all of the vocabulary for a specific subject at the same timeEasy-to-learn lists help you to test your translation skillsAudio files so that you can check your pronunciationOnline interactive audio-visual e-Flashcards - test yourself and consolidate your knowledge

What is the word for 'peacebuilding' in Arabic? How would you translate 'multilateral negotiations'? This short, accessible vocabulary gives you ready-made lists of 1,300+ Arabic expressions, terms and idioms in 10 key areas of diplomatic discourse: General; Concepts & Practices; Diplomatic Service & Protocol; Organisations; Elections & Government; Negotiations; Treaties & Agreements; Conflict Resolution & Defence; Civil Society & Human Rights; Globalisation & Economic Development.

During the early 1960s the Cold War reached its climax. Britain's dwindling power in the Middle East was under siege from Arab nationalism, the Communist bloc and from American designs in the region. Aden, with its strategic military base and old Protectorate buffer zone, was soon the main battleground. The 1962 Egyptian-inspired coup in the neighbouring Kingdom of North Yemen further tightened the noose. So began a bitter and bloody insurgency war in South Arabia. British regular an special forces were soon pitted against growing and formidable insurgency forces, fighting both a war in the mountains and an urban conflict in the backstreets of Aden. Intelligence agencies vied for control of 'hearts and minds'. The British launched a clandestine war in Yemen to keep their enemies at bay. But still the situation in Aden spiralled out of control, culminating in a bloody slaughter in 1967. In that November, the British Army finally withdrew from South Arabia.??Aden Insurgency is the extraordinary story of Britain's last colonial conflict. Using a wide range of recently released archive and eye-witness accounts, the author charts the collapse of the South Arabian state. Set against a background of ruthless political ambition, these events shaped the Yemen of today.
