That a priori recognition, however, is challenged by the doctrine of intergenerational responsibility, which places a claim for human rights without a human rights bearer. While there is no question that human rights, and perhaps the rule of law as a whole, seeks to effect intergenerational change, this purpose fails to serve as the foundation for human rights of future generations.

threatening the sustainable functioning of the planet's ecosystems.

~~Climate Change and Intergenerational Justice~~

Intergenerational justice is essentially concerned with the duties and responsibilities that present generations have to past and future generations, and what moral considerations ought to be considered when thinking through these duties and responsibilities (Baer, 2011; Vanderheiden 2008).

~~Intergenerational Justice and the Paris Agreement~~

Generational inequality bringing child rights to bear on climate change also makes us reflect on the issue of rights, responsibilities and equality between ages or generations. Intergenerational inequality comes in different forms.

~~Intergenerational Justice | SpringerLink~~

The core of the book is the lucid application of a 'veil of ignorance' to derive principles of intergenerational justice which show that our duties to posterity are stronger than is often supposed. Tremmel's approach demands that each generation both consider and improve the well-being of future generations.

~~A Theory of Intergenerational Justice | Joerg Chet Tremmel ...~~

Intergenerational Justice The question of what climate target to aim for will also depend on what responsibilities members of one generation have to future generations. The emission of some greenhouse gases can have an impact far into the future.
