These aren't computerized lists, they're scans of the actual pages that went into the files at the time of production. Antique Tractor Serial Numbers - Yesterday's Tractors Taking a VIN from a vehicle produced after 1974 but before 1980, you'll have a

## International Harvester Serial Number Search

The International Harvester Company was formed by the merger of the McCormick Harvesting Machine Company and the Deering Harvester Company in 1902. The company had a number of early tractor models. The Farmall, in 1924, sparked a revolution in tractor design. The Farmall introduced the tricycle style row-crop tractor.

## TractorData.com - International Harvester farm tractors ...

The International Harvester Company (often abbreviated by IHC or IH, or shortened to International) was an American manufacturer of agricultural equipment, automobiles, commercial trucks, lawn and garden products, household equipment, and more. It was formed from the 1902 merger of McCormick Harvesting Machine Company and Deering Harvester Company, and remained as a corporation until 1985.

## International Harvester - Wikipedia

- To search for parts, enter the serial number or model in the search bar which can be found in the upper left of your screen.
- Navigate the list of categories and diagrams to find the parts you need.
- Add parts to your list by selecting the 'plus' icon next to each item.
- Print the list and take it to your nearest dealer.

## Parts Catalog | Parts and Service | Case IH

Go to tractordata.com, select farm tractors, select International Harvester, select 300. Scroll down to serial numbers. Find this: 300 Serial Numbers: Location: Serial number plate attached to the tractor's clutch housing. 1955: 501 1956: 20219 Final: 33664. Anything with a serial number less than 20219 is a 1955 model. Anything 20219 or over is a 1956.
