Isonic Camcorders Manuals Small Wonder are about the same size - and both are the same size as the Flip Video models.. When I decided to buy a mini digital video camera earlier this year, I went with the RCA over the Flip for one feature: because the LCD screen flips both ways on the RCA Small Wonder, making it easier to frame a self- video. The ISONIC ultrasonic jewellery cleaner is the perfect tabletop at home jewellery cleaner. I used to use it to clean my jewellery but recently upgraded to a steamer. This little guy is in near new condition and comes with the basket and tray to suspend earrings and the like. Measures approx 9" across and 5.5" tall. Works perfectly. Hoping to find it a good home!
