KINGDOM OF THE BLOSSOMS is an eternally triumphant saga about human striving for happiness and truth. The book is a living conglomerate of prose, poetry and visualization, waiting to be discovered by the reader of any age. GLORY! PEACE! LOVE! UNBOUND RESOURCES! These are in constant, feverish demand--the quest and search by every human soul that has lived since humanity first existed. Their domain is called with different names by different people: a parallel reality, a field of Intention, The Promised Land. The Holy Bible--the book of my life, calls it God's Kingdom; I know its presence from experience. "Kingdom of the Blossoms" emanates from the story of God's Kingdom--its reality and energy. It doesn't matter how often one reads the book--the Kingdom's magnetism is always there! Princess Little Star had the Kingdom and lost it. This is how the great journey began. Did she finally discover the Kingdom again?

" An important book for anyone with an interest in life, American music, Southern culture, dancing, accordions, the recording industry, folklore, old dance clubs in the weeds, fortune tellers, hoodoos or shotguns. " —Annie Proulx There ' s a musical kingdom in the American South that ' s not marked on any map. Stretching from the prairies of Louisiana to the oil towns of East Texas, it is ruled over accordion-squeezing, washboard-wielding musicians such as Buckwheat Zydeco, Nathan Williams, Keith Frank, Terrance Simien, Rosie Ledet, and C. J. Chenier. Theirs is the kingdom of zydeco. With its African-Caribbean rhythms, Creole-French-English lyrics, and lively dance styles, zydeco has spread from its origins in Louisiana across the nation, from Back Bay to the Bay Area. It has influenced the music of Eric Clapton and Paul Simon and been played at Carnegie Hall. In this remarkable and engrossing book, Michael Tisserand reveals why zydeco ' s identifiable and unforgettable blend of blues and Cajun influences has made the dance music of Louisiana black Creoles so popular and widespread. Zydeco ' s appeal runs deeper than the feel-good, get-up-and-dance reaction it invariably elicits and is intertwined in the music ' s roots and rhythms, handed down from generation to generation. Here is the story of zydeco music. Tisserand goes on the zydeco trail to meet the major artists; he reconstructs the legends behind the music ' s beginnings, offering complete biographies of pioneers such as Améd  Ardoin and Clifton Chenier; and he takes you into the dance halls and onto the front porches where zydeco was born and continues to thrive. More than a book on a musical style, The Kingdom of Zydeco is an exploration and a celebration of a distinctive American culture.

Best-selling author Dr. Myles Munroe takes you into the depths of praise and worship as he reveals the purpose and power of God ' s presence—the established ideal atmosphere in which humankind was designed to function. From more than 30 years of ministry, teaching, and study, Dr. Myles Munroe presents rock solid, time-tested principles about the complex issues of praise and worship. In this engaging and authoritative work you will learn: The key to maximizing your potential on earth. Why God placed man in the Garden of Eden. The purpose and priority of the presence of God. The seven dimensions of praise. The purpose and power of personal and corporate worship. How to practice and protect the presence of God in your life. Much, much more! The Purpose and Power of Praise & Worship Expanded edition includes a comprehensive study guide with concrete, practical application for pressing in to a new level of relationship with God. With study questions and assignments designed for individual or group use, you will: Deepen your understanding of the biblical foundations of praise and worship. Easily apply key principles to your life. Want to practice praise and worship, both corporately and personally.

Charlie Gracie's hit song "Butterfly" topped the American and British music charts in 1957, selling over three million copies. His hits in the late '50s propelled him to appearances on Dick Clark's American Bandstand, The Ed Sullivan Show, and some of the largest venues in the U. S. and abroad. Charlie was part of the birth of rock & roll, and his unique style influenced some of the most important artists in rock history, including The Beatles, Cliff Richard, Van Morrison, Graham Nash, Chubby Checker, and countless others. Rock & Roll's Hidden Giant uncovers Charlie's inspiring story, tracing his rise to the top of the charts through to his fall from fame. From his upbringing on the streets of Philadelphia to the tragic death of his friend Eddie Cochran to experiencing the dark side of Dick Clark and the early days of the music industry, we learn that Charlie's unflinching integrity and talent were the constant guides in his life. Rock history would not be the same without Charlie Gracie, and this remarkable, uplifting account is essential for all fans of rock & roll. "When we were starting out with The Beatles, the music coming over from America was magical to us--and one of the artists who epitomized this magic was Charlie Gracie." ---Sir Paul McCartney "Charlie Gracie was FIRST in Rock & Roll!--and the FIRST Rock & Roller to come out of Philadelphia! He started it and made it possible for all the rest of us!" ---Chubby Checker "His concerts in the late '50s in Manchester, England helped me to become who I am today." ---Graham Nash "This book will allow you to see that nothing comes 'easy.' Success comes with hard work, disappointments, and some artists suffer betrayal by those they trust." ---Sir Cliff Richard "His guitar sound was brilliant!" ---George Harrison

In a mist-shrouded valley on China's invisible border with Tibet is a place known as the 'Kingdom of Women', where a small tribe called the Mosuo lives in a cluster of villages that have changed little in centuries. This is one of the last matrilineal societies on earth, where power lies in the hands of women. All decisions and rights related to money, property, land and the children born to them rest with the Mosuo women, who live completely independently of husbands, fathers and brothers, with the grandmother as the head of each family. A unique practice is also enshrined in Mosuo tradition - that of 'walking marriage', where women choose their own lovers from men within the tribe but are beholden to none.

" For the kingdom of God is not a matter of talk but of power. " (1 Corinthians 4:20) The Bible is clear that in the preaching of the Gospel of the Kingdom we must have more than beautiful words and well-built sermons. In the realm of the Kingdom of God, it is normal for sickness to vanish, for demons to flee, and for breakthroughs to take place. This is available for you! Manifesting Kingdom Power is written to inspire a generation to follow after the authentic and supernatural Biblical Gospel. The Biblical foundation for the supernatural and real-life testimonies of what the Lord has done in different nations will stir your faith for more. You will learn: - To biblically understand the importance of miracles in the proclamation of the Gospel. - To walk in your identity and authority given by Christ. - What it truly means to walk in prophetic power. - To develop a Biblical basis for manifestations and the supernatural. - To discern between the voice of God and lying spirits. - About the realm of God ' s glory and greater works & much more. " ...prepare to receive the impartation that ' s available within these pages. " Joshua Mills, Keynote conference speaker, recording artist & best-selling author, 31 Days to a Miracle Mindset " ...you will be catapulted into new levels of Kingdom Power! " Hank Yonce, Senior Pastor at Vivid Life Church in Deland, FL " This book brings biblical truth to many controversial topics. " Raquel Appa Falcao, M.D – Richmond, VA

Icons of Rock offers an overview of rock's pervasive role in the United States by profiling the lives and work of the music's most legendary artists.

Three books in one to form a most uplifting trilogy by metaphysical author Jasmuheen. Queen of the Matrix – Fiddlers of the Fields; King of Hearts – The Field of Love; and Elysium – Shamballa ' s Sacred Symphony. The Elysium prophecy states:- When the Queen of the Matrix returns the King to her heart, peace will come to all on Earth, regardless of their part. And when compassion sets the pace all will find new rhythms, a peace within, and a peace without, to last beyond millenniums. A cross between Harry Potter, Star Wars, the Matrix movies and the realms of C.S. Lewis, this new trilogy of fiction weaves in some of the aboriginal dreamtime legends while offering insights on past lives and future lives; perfect love and profound love plus parallel worlds. All of this is covered in this enchanting trilogy which will enlighten and entertain all ages.
