La contabilizzazione dei costi del personale rappresenta, anche per gli addetti ai lavori, un'operazione non sempre facile e spesso fonte di dubbi: la presente guida ha l'obiettivo di illustrare, in maniera semplice e mediante l'ausilio di esempi pratici, come contabilizzare il costo del personale, evitando problematiche legate al non corretto appostamento delle voci nel bilancio di esercizio - soprattutto in presenza di eventi particolari, come la malattia, gli infortuni e così via - e alle conseguenti ripercussioni, in termini di imposizione fiscale. In virtù di questa considerazione, al fine di appostare correttamente tutte quelle voci di bilancio utili al calcolo delle imposte, è necessario valutare gli aspetti relativi agli oneri contributivi ed assicurativi, al fine dell'eventuale deduzione dalla base imponibile IRAP. La disamina, alle cui fondamenta soggiacciono i principi contabili, si caratterizza per il gran numero di esempi - che, di fatto, rappresentano una sintesi delle casistiche più comuni che possono incontrarsi in azienda - volti a consentire un rapido approccio al lettore, soprattutto in quelle situazioni di particolare urgenza, come nel caso di dover calcolare il costo per esigenze di budget. Viene, infine, proposto un caso concreto di contabilizzazione del costo, partendo dal cosiddetto "cedolone", vale a dire il riassunto avvenuto nel periodo di lavoro considerato.
Andrea Sergiacomo
Dottore commercialista,
Revisore legale dei conti,
Mediatore civile,

True stories of crime in Miami by the Pulitzer Prize-winning author of The Corpse Had a Familiar Face. Set against the neon backdrop of the South Florida city where Miami Herald reporter Edna Buchanan covered the police beat for nearly two decades, this memoir collects true tales of both heroes and villains—from the heartbreaking to the heartwarming to the outright hilarious. "A flurry of cases—of criminal Christmases, historic crimes, homicidal love, cop heroes, rescuers, odd occurrences (such as that of the barbiturate-soaked gunman who took 26 direct hits from cops' guns and kept shooting until a 27th round took him down) . . . a generous bonanza for crime buffs, presented by one of the sharpest writers in the field." —Kirkus Reviews

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

Includes bibliography and indexes / subject, personal author, corporate author, title, and media index.

A re-release of a classic work by the Pulitzer Prize-winning author of Cold Case Squad details events from her eighteen years of writing for The Miami Herald, from a father who murdered his comatose toddler to a Haitian who was knitted to death in a Hialeah factory. Reprint.

Juco is reborn from hell after his family is killed. Developing a quick spin shooting style, he makes friends with the Indian and Mexican people. His travels take him throughout Colorado, New Mexico, and onto California. At every turn, he faces life- threatening challenges. Juco is on a mission to find his sister. Hell has no fury, like a man possessed, and who intends to make a difference in this lawless society. He faces death at every turn. Survival is his greatest challenge!
