Language policy and strategy | Cambridge English Consultancy
Language Policy in Schools provides school administrators and teachers a practical approach for designing a language policy for their school and for dealing with the language issues that confront schools, particularly those operating in settings of linguistic and cultural diversity. It can be used as a text in teacher and administrator preparation programs, graduate programs, and in-service and professional development programs.

Language Policy in Schools: A Resource for Teachers and ...
A core language policy is the " 1+2 Approach ", similar to the EU policy of Mother tongue plus two; it is intended that by 2021 every child will be entitled to learn a first additional language from the beginning of primary school (4/5) and a second one at age 8/9. The Scottish Government also has specific policies for the support of Gaelic.
