Linux Malware Process Maps Investigate Linux Malware Process Stack. The /proc/<PID>/stack area can sometimes reveal more details. We ' ll look at that like this: cat /proc/<PID>/stack. In this case we see some network accept() calls indicating this is a network server waiting for a connection. Sometimes there won ' t be anything obvious here, but sometimes there is. It just depends what the process is doing so it ' s best to look. Linux Malware Forensics Process Stack
