## QUICK LOAD SERVO S3

INTRODUCTION The QUICK LOAD SERVO III bar feed system was specifically designed for loading short bars, but can also be used for loading shafts, axles or forged parts. Combining high technology and user friendliness, it offers users a surprisingly vast number of

# Get Free Lns Quick Load Servo S3 Manual

applications, while remaining simple to use and highly reliable.

*INSTRUCTION MANUAL INSTRUCTION*

*... - LNS North America*

The Quick Load Servo S3 T bar feeder reliably loads 1/4" to 4-3/4" diameter bar stock in lengths from 4" to 63" (not to

# Get Free Lns Quick Load Servo S3 Manual

exceed overall spindle length). Coupled with a fully automatic diameter adjustment and other patented features, partial changeovers can be achieved in 15 seconds or less within the pusher range.

The QUICK LOAD SERVO S3 T bar feed system has been designed with a focus on maximum safety during its handling and complies with all EC requirements. Safety covers and devices make access to the moving parts of the bar feed system impossible. Safety switches keep the bar feed system from operating when these
