Best known for her Oscar-nominated roles in the smash hits *Paper Moon* and *Blazing Saddles*, Madeline Kahn (1942–1999) was one of the most popular comedians of her time—and one of the least understood. She turned out as reserved and refined as her characters were bold and bawdy. Almost a Method actor in her approach, she took her work seriously. When crew members and audiences laughed, she asked why—as if they were laughing at her—and all her life she remained unsure of her gifts. William V. Madison examines Kahn's film career, including not only her triumphs with Mel Brooks and Peter Bogdanovich, but also her overlooked performances in *The Adventure of Sherlock Holmes—Smarter Brother* and *Judy Berlin*, her final film. Her work in television—notably her sitcoms—also comes into focus. New York theater showered her with accolades, but also with remarkably bad luck, culminating in a disastrous outing in *On the Twentieth Century* that wrecked her reputation on Broadway. Only with her Tony-winning performance in *The Sisters Rosensweig*, fifteen years later, did Kahn regain her standing. Drawing on new interviews with family, friends, and such colleagues as Lily Tomlin, Carol Burnett, Gene Wilder, Harold Prince, and Eileen Brennan, as well as archival press and private writings, Madison uncovers Kahn's lonely childhood and her struggles as a single woman working to provide for her erratic mother. Above all, Madison reveals the paramount importance of music in Kahn's life. A talented singer, Kahn entertained offers for operatic engagements long after she was an established Hollywood star, and she treated each script as a score. As Kahn told one friend, her ambition was "to be the music."

Mel Brooks' own words telling all about the players, the filming, and studio antics during the production of this great comedy classic. The book is alive and teeming with hundreds of photos, original interviews, and hilarious commentary. *Young Frankenstein* was made with deep respect for the craft and history of

cinema-and for the power of a good schwanzstucker joke. This picture-driven book, written by one of the greatest comedy geniuses of all time, takes readers inside the classic film's marvelous creation story via never-before-seen black and white and color photography from the set and contemporary interviews with the cast and crew, most notably, legendary writer-director Mel Brooks. With access to more than 225 behind-the-scenes photos and production stills, and with captions written by Brooks, this book will also rely on interviews with gifted director of photography Gerald Hirschfeld, Academy Award-winning actress Cloris Leachman and veteran producer Michael Gruskoff. Mel Brooks is an American film director, screenwriter, comedian, actor, producer, composer and songwriter. Brooks is best known as a creator of broad film farces and comic parodies including *The Producers*, *The Twelve Chairs*, *Blazing Saddles*, *Young Frankenstein*, *Silent Movie*, *High Anxiety*, *History of the World, Part I*, *Spaceballs* and *Robin Hood: Men in Tights*. More recently, he had a smash hit on Broadway with the musical adaptation of his first film, *The Producers*. An EGOT winner, he received a Kennedy Center Honor in 2009, the 41st AFI Life Achievement Award in June 2013, and a British Film Institute Fellowship in March 2015. Three of Brooks' classics have appeared on AFI's 100 Years...100 Laughs list. *Blazing Saddles* at number 6, *The Producers* at number 11, and *Young Frankenstein* at number 13. Judd Apatow is one of the most important comic minds of his generation. He wrote and directed the films *The 40-Year-Old Virgin* (co-written with Steve Carell), *Knocked Up*, *Funny People*, and *This Is 40*, and his producing credits include *Superbad*, *Bridesmaids*, and *Anchorman*. Apatow is the executive producer of HBO's *Girls*.

A CrimeReads Most Anticipated Book of 2020 The captivating story of the valiant Noor Inayat Khan, daughter of an Indian Sufi mystic and unlikely World War II heroine. Raised in a lush suburb of 1920s Paris, Noor Inayat Khan was an introspective musician and writer, dedicated to her family and to her father's spiritual values of harmony, beauty, and tolerance. She did not seem destined for wartime heroism. Yet, faced with the evils of Nazi violence and the German occupation of France, Noor joined the British Special Operations Executive and trained in espionage, sabotage, and reconnaissance. She returned to Paris under an assumed identity immediately before the Germans mopped up the Allies' largest communications network in France. For crucial months of the war, Noor was the only wireless

operator there sending critical information to London, significantly aiding the success of the Allied landing on D-Day. Code-named Madeleine, she became a high-value target for the Gestapo. When she was eventually captured, Noor attempted two daring escapes before she was sent to Dachau and killed just months before the end of the war. Carefully distilled from dozens of interviews, newly discovered manuscripts, official documents, and personal letters, Code Name Madeleine is both a compelling, deeply researched history and a thrilling tribute to Noor Inayat Khan, whose courage and faith guided her through the most brutal regime in history.

In this personal book from the star of many beloved and classic film comedies -- from *The Producers* to *Young Frankenstein*, *Blazing Saddles* to *Willy Wonka & the Chocolate Factory* -- Gene Wilder writes about a side of his life the public hasn't seen on the screen. *Kiss Me Like a Stranger* is not an autobiography in the usual sense of the word, and it's certainly not another celebrity "tell-all." Instead, Wilder has chosen to write about resonant moments in his life, events that led him to an understanding of the art of acting, and -- more important -- to an understanding of how to give love to and receive love from a woman. Wilder writes compellingly about the creative process on stage and screen, and divulges moments from life on the sets of some of the most iconic movies of our time. In this book, he talks about everything from his experiences in psychoanalysis to why he got into acting and later comedy (his first goal was to be a Shakespearean actor), and how a Midwestern childhood with a sick mother changed him. Wilder explains why he became an actor and writer, and about the funny, wonderful movies he made with Mel Brooks, Woody Allen, Richard Pryor, and Harrison Ford, among many others. He candidly reveals his failures in love, and writes about the overwhelming experience of marrying comedienne Gilda Radner, as well as what finally had to happen for him to make a true and lasting

commitment to another woman. A thoughtful, revealing, and winsome book about life, love, and the creative process, the New York Times bestseller *Kiss Me Like A Stranger* is one actor's life in his own words.
