I have a 2252B and it is a brilliant
sounding receiver. I've owned
something like 8 marantz
receivers and this is one of the
best sounding. Mine is a 1977
model and it is a bit "cleaner"
sounding than the earlier 70s
units, and perhaps not quite as
warm. Plenty of power and worthy
of critical listening with high end
speakers, particularly after a
recap!
