At the Mr. Food Test Kitchen, we believe in giving home cooks the recipes they want. For almost 40 years, we've been tuned in to our audience, creating recipes that follow the trends they love while sticking to our "quick & easy" philosophy. Our cookbooks are a reflection of our audiences' favorites, including slow cooker and pressure cooker recipes, cake mix desserts, recipes for two, recipes in under 30 minutes, and much more. Now, we're ready to answer to the next trend. After receiving an overwhelming amount of requests, we've decided to create *The Ultimate Air Fryer Cookbook*. Some people may have thought that air frying was a fad, but we knew better. When Pinterest released their "Pinterest 100: The top trends to try in 2018" we weren't surprised to learn that air fryers had made it to the top of the list. Air frying appeals to health-conscious foodies who crave lightened-up versions of their favorite comfort foods. Plus, air fryers are easy to use and deliver on taste. *The Ultimate Air Fryer Cookbook* will follow the same quick & easy philosophy as all of our other cookbooks. Inside, readers will enjoy more than 130 air fryer recipes made with off-the-shelf ingredients. Recipes will include specific cooking times (we don't want anyone missing out on *In the Kitchen with David!*) and feature helpful tips and tricks. And, as you've come to expect, each recipe will be triple-tested for accuracy and wow-factor. If it's not 5-star worthy, it doesn't make the cut! New users and experienced air fryer cooks alike will feel comfortable following our recipes. We aim to make sure every reader gets the most out of their air fryer, which is why we will provide a variety of recipes--everything from mouthwatering breakfasts to decadent desserts. Recipes will be tested using various air fryer brands and sizes to account for discrepancies and provide readers with easy options. For those on the fence about getting an air fryer, knowing they have a book from a trusted friend in the kitchen may just give them the confidence to purchase their first one. This cookbook will help bridge the gap for readers who crave comfort foods like fried chicken and mozzarella sticks, but who want to feel like they're making better decisions when it comes to what's on their plate. With full-page, color photos woven throughout the book and out-of-the-box recipe ideas, readers will feel inspired and empowered to use their air fryer to cook up something really tasty. Most importantly, we believe that this cookbook will help home cooks have more fun in the kitchen, creating recipes that'll have everyone saying, "OOH IT'S SO GOOD!!(R)"
