Odd Tribes: Toward a Cultural Analysis of White People ...

Odd Tribes engages debates in history, anthropology, sociology, and cultural studies over how race matters. Hartigan tracks the spread of "white trash" from an epithet used only in the South prior to the Civil War to one invoked throughout the country by the early twentieth century.

Odd Tribes: Toward a Cultural Analysis of White People on ...

Odd Tribes challenges theories of whiteness and critical race studies by examining the tangles of privilege, debasement, power, and stigma that constitute white identity. Considering the relation of phantasmatic cultural forms such as the racial stereotype " white trash " to the actual social conditions of poor whites, John Hartigan Jr. generates new insights into the ways that race, class, and gender are fundamentally interconnected.
